

REVIVAL IS BREAKING OUT EVERYWHERE!

“It took three tents to finally hold the crowds in our Charles Massegee, Ft. Riley Crusade. Army regulations gave way and denominational barriers were crossed as hundreds gave their life to Christ.” -Chaplain Charles Pike

“There were 420 people who accepted Christ as personal Savior...42 adults saved in one service...50 teenagers who were saved formed The Born Again Singers...New Bible Studies grew to out number the bridge parties in our little town of 15,000 people...Christianity invaded the beauty and barber shops...businessmen at last took Christ to the office with them...revival impacted the entire town.”
-Newspaper Correspondent,
Lisa Fox

“Our small desert town of 3,000 people will never be the same...421 found new life in Christ in our Charles Massegee Crusade...the Baptists, Catholics, Lutherans, Pentecostals, and Independents. Charles is able to relate to the “X” Generation. He knows where it is “at” and how to share love and understanding without compromising the Word of God.”
-Dr. R. S. VanBuskirk, Chairman

“In a town of only 850 people we had over 511 people a night in attendance with over 100 giving their life to Christ and most of them were baptized. Every phase of the Charles Massegee Crusade ministry is geared to effective and efficient outreach.”
-James Lyles, Pastor

“We run about 430 in Sunday School but averaged over 700 people a night in our Massegee Crusade.”
-Dr. R. Stuart Carlton

“Our church runs about 300 in Sunday School. We averaged over 800 people a night with a high attendance of 1,061 by actual count one night.”
-Dr. Milton Parker, Pastor

“I have known Charles Massegee since college days and have used him in ten crusades with over 700 people accepting Christ as Savior.”
-Rev. Marvin T. Nobles

“Charles is affectionately referred to as ‘Mr. Vocational Evangelism’ among many of his peers, pastors and friends throughout our convention. I’m always amazed at the response people have given his preaching.”
-Dr. “Chief” Lawson, former Director of Evangelism for New Mexico

“Charles is one of God’s unique evangelists. He has preached for me several times in the last 30 years and I have always found him to have a very constructive ministry in local churches and a great appeal in city-wide crusades. He comes from a family of ministers and is very much at home in the pulpit.” -Dr. James Puckett, former Pastor of the 10,000 member First Baptist Church, McKenny, Texas

“In a day when the God called evangelist seems to be going out of style, it is refreshing to hear someone like Charles Massegee. Charles’ messages in our church were both timely and extremely practical.” -Dr. Harold O’Chester, former pastor of the 15,000 member Great Hills Baptist Church, Austin, Texas.
